

Our assortment includes, among others:
 furniture accessories: handles, knobs,
 legs, hangers, kitchen cargo baskets;
 closet accessories; interior and exterior
 door handles; bathroom equipment;
 decorative accessories.

nomet

Nomet is one of the largest manufacturers of furniture accessories. We are a company with only Polish capital, offering goods of our own production.

This enables us to have full control over every stage of production and the final product. Our products are characterized by the highest quality of workmanship, as well as attention to design value.
